MERRIMACK ANTI-VIOLENCE EDUCATION NETWORK

I'm concerned about my friend and the way her partner is treating her...

Merrimack College seeks a campus community that is free from all forms of sexual misconduct, harassment, and violent behavior.

The Merrimack Anti-Violence Education Network ("MAVEN") website was created to act as a centralized resource of information, policies and resources for prevention and education.

I think I may have been assaulted...

There, you will find the College's policy on sexual misconduct, relationship violence and stalking, as well as reporting options, an outline of College procedures and medical and counseling services.
