Notes: This is a sample curriculum map. Students may progress toward graduation using alternative pathways. In addition, 'FC Core Requirement' signifies that the course is required as part of the Foundations and Connections Core - the College's general education program. Please be aware that all students must take six FC Core Requirement courses (FYS, DPJ, HUM, RTS, SOSOC, and STEM) and four FC Core Elective courses to satisfy the College's general education requirement.

Accounting Majors may choose to complete an internship for academic credit, 4 credits ACC 4010 or 8 credits ACC 4001, for 0 credits ACC 3001 or another class that will satisfy the GSB Experiential Requirement. In some cases, a GSB Experiential Requirement course may also satisfy a Major Requirement or Elective. ACC 4010 and ACC 4001 would satisfy both the GSB Experiential Requirement and Accounting Major Elective.
