Notes: This is a sample curriculum map. Students may progress toward graduation using alternative pathways. In addition, 'FC Core Requirement' signifies that the course is required as part of the Foundations and Connections Core - the College's general education program. Please be aware that all students must take six FC Core Requirement courses (FYS, DPJ, HUM, RTS, SOSC, and STEM) and four FC Core Elective courses to satisfy the College's general education requirement.

Applied Economic and Finance Majors may choose to complete an internship for academic credit, 4 credits ECO 4010, for 0 credits ECO 3001 or another class that will satisfy the GSB Experiential Requirement requirement. In some cases, the GSB Experiential Requirement course may also satisfy a Major Requirement or Elective.
